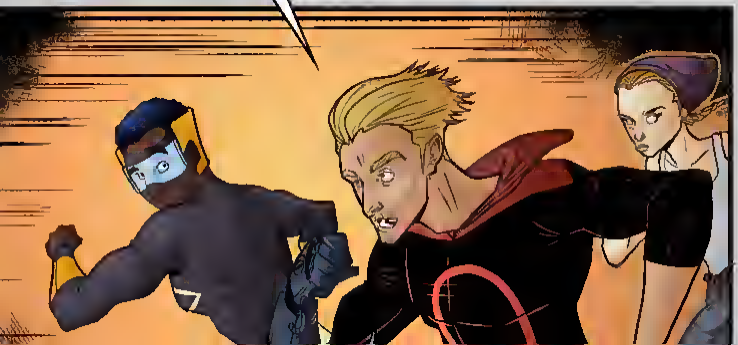
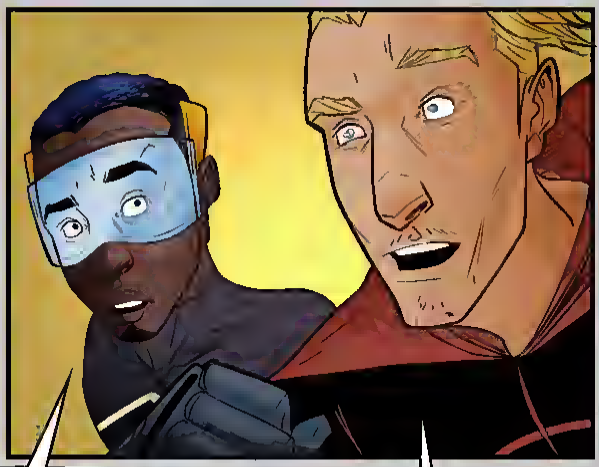
SO RUN ME THROUGH THIS ONE MORE TIME.
ONE OF US (I CAN'T REMEMBER WHO, IT DOESN'T MATTER) HAD THE IDEA THAT INSTEAD OF RUNNING BOLT TO THE POINT OF EXHAUSTION, WE SABOTAGE HIM MORE DIRECTLY.

SOMETHING THAT DISRUPTS THE ELECTRICAL FIELD HE GENERATES.
TO DO THAT, WE NEED A POWER SOURCE.

YEP. ***URM***. THE INCREDIBLY VOLATILE AND HIGHLY REGULATED SUBSTANCE THAT PRODUCES CLEAN, NEARLY LIMITLESS ENERGY. CRAZY VALUABLE STUFF.



IN ADDITION TO ITS VALUE IN CUTTING-EDGE NANOTECHNOLOGY, THE ISOTOPE SIGNATURE SHOULD BE PERFECT FOR DISRUPTING BOLT'S PERSONAL BIO-ELECTRICITY.

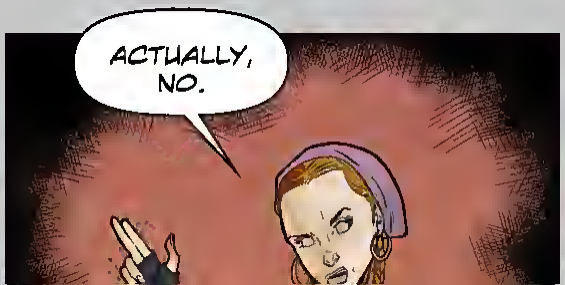


THAT WAS... COMPREHENSIVE.

YEAH. I'M NOT SURE WHY I EXPLAINED ALL THAT AGAIN JUST NOW.

THE BADGUYS

LANCASTER · CAICEDO · RAYMOND



ACTUALLY, NO.

WHO HAD THE IDEA TO SABOTAGE THE BOLT?
WE'RE KIND OF ON THE CLOCK HERE.
I CAN WAIT.

FINE.
IT WAS PENNY'S IDEA.
I MEAN, I DESIGNED THE TECH, DID THE RESEARCH, FOUND THE URM AND MADE THE PLAN. BUT YES. PENNY BROUGHT 'SABOTAGE THE BOLT' TO THE TABLE.

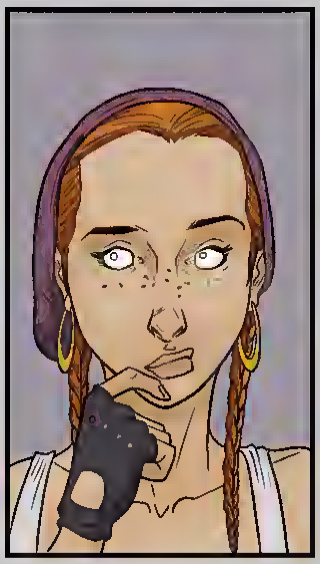
BOOM!

PENNY'S IDEA. FULL CREDIT.

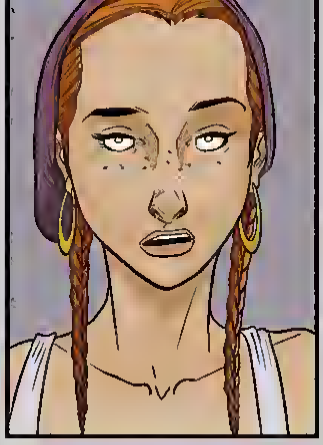
YOU GUYS HEAD TO CONTAINMENT. THE THREE OF US WILL GO HANDLE THE SECURITY SYSTEM.
DAVID
HOW DO

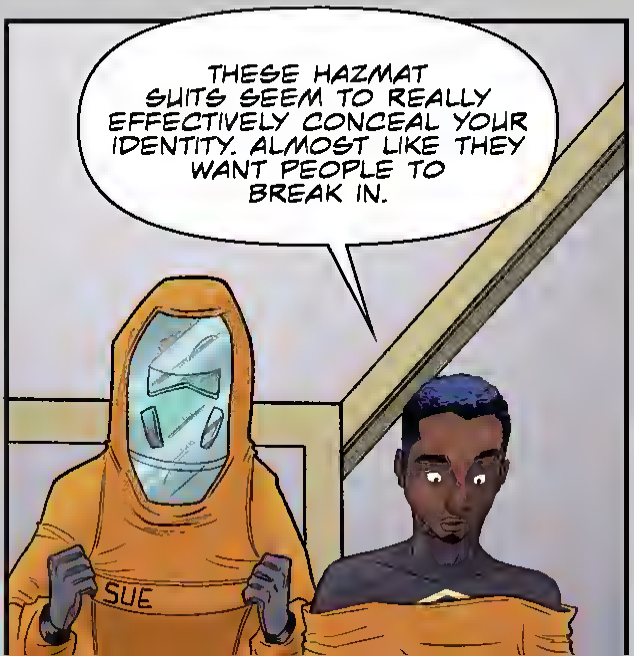
WE GET THE UNIT OUT OF THE BUILDING?

MAYBE WE SHOULD ASK PENNY. SHE'S THE MASTERMIND, AFTER ALL.



WING IT.



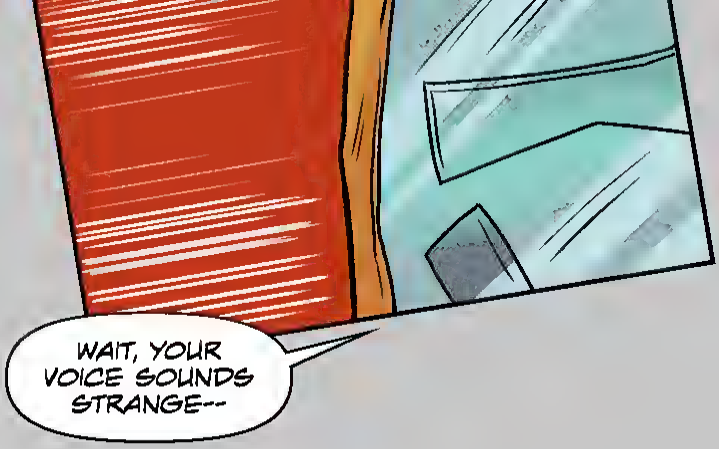


THESE HAZMAT SUITS SEEM TO REALLY EFFECTIVELY CONCEAL YOUR IDENTITY. ALMOST LIKE THEY WANT PEOPLE TO BREAK IN.
SUE

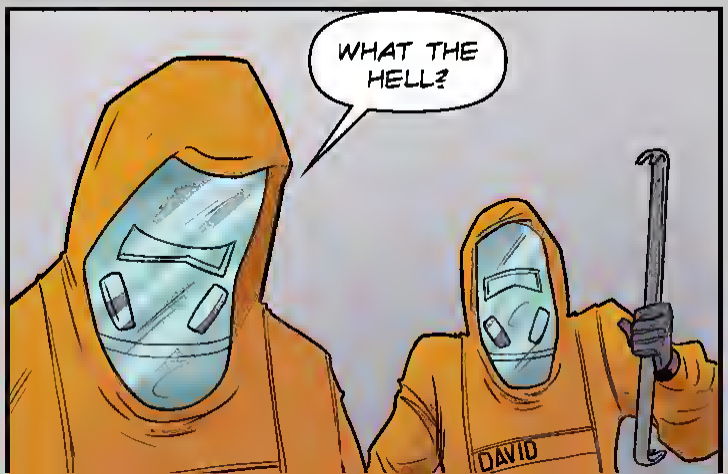
IT'S WEIRD, ISN'T IT? ALMOST LIKE THE ONLY IDENTIFYING INFORMATION IS THE NAME TAG.

HAH. SUE.

OH. OH! UM. ME. SHE. YES. HELLO HOW ARE YOU?



WAIT, YOUR VOICE SOUNDS STRANGE--

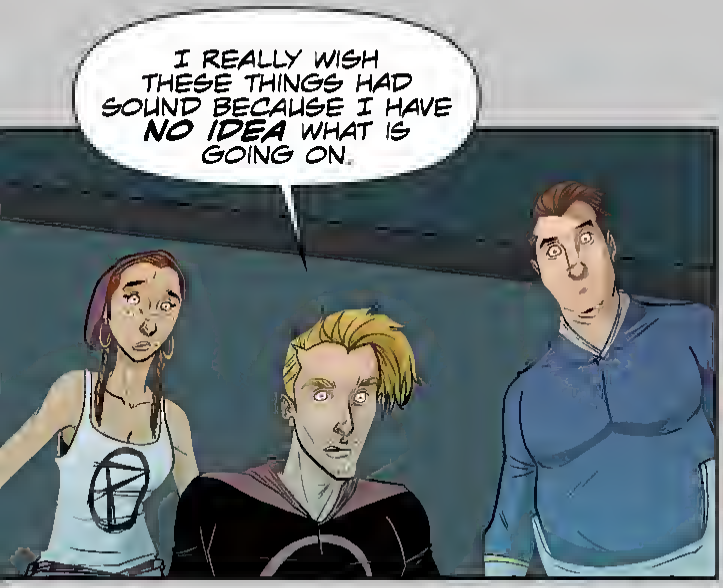


WHAT THE HELL?
DAVID

SUE
I WAS WINGING IT.
WHAT HAPPENED TO CHAD?
GREG

HE. UH. FAINTED.
HELLO, HOW ARE YOU?
SUE
DAVID
SUSAN!?

NO, DON'T SAY ANYTHING. JUST LET ME HOLD YOU.



I REALLY WISH THESE THINGS HAD SOUND BECAUSE I HAVE NO IDEA WHAT IS GOING ON.
